## ***From the Pastor...***

Beloved in the Lord:

October is Youth Month throughout our archdiocese. Here at St. John's we will observe Youth Month in the usual way. The teens will read the epistle, serve as ushers, host the coffee hour, and take up a collection for the Special Olympics. While these things are most important, they are not enough.

As one who was brought up in the church, serving as an altar boy, being part of the church school, helping wait tables at parish dinners, participating in the different festivals, and the like, I used to think that this was what church was all about. Not only did I do these things but many, many of my friends did them too. Yet, I ask how many of them still go to church, still have a commitment to Christ and His Church? Sadly, the answer is not many. Look back to when you were in the YPA, the Crusaders, or the many other groups that we have. How many of our friends still come to church? Again, the answer, sadly, is not many.

Do you see a common thread here? When we have a commitment that is exclusively on the "business" side of the church, burnout is sure to follow. Our commitment to the church must first and foremost be a commitment to Christ and His holy church. This should be *the* priority. What a joy is it to attend the Divine Liturgy, to hear the words of God in the Epistle and Gospel, and how humbling it is to

receive the very body and blood of Christ, when we enter into communion with God.

Don't get me wrong. I enjoy dances, dinners, bazaars, fashion shows and the like as much as anyone else; however, when they become the reason for the church's existence and not *vice versa* then something is wrong. The Church's *raison d'être*, its reason for being, is to form an earthly community to reflect the glory of God and community of saints gathered around the heavenly church. To receive the sacraments, to pray, to fast, to grow in the Spirit towards full Communion with God. This is what we are supposed to do. Field trips and recess are nice, but is that why we send our children to school?

Hence, our *example* as faithful Orthodox Christians is how we can teach our youth something that is real and will withstand the test of time. When they see us pray and take our faith seriously they in turn will see how important our Orthodox faith must be. If we think that taking kids to conventions, to dinners, or having them participate in the oratorical festivals, or even going to the Village is going to cement their relationship with God in and of itself we are, in my opinion, sadly mistaken.

Let's not let history repeat itself. Let's show our children and ourselves that the Church is something worthy of our love, respect, and attention. It will be hard to do but you'll be glad you did!

With much love in Christ,

Rev. Fr. John K. Teebagy  
Pastor

## ***From the Chairman...***

I hope and pray that this edition of *The Torchbearer* finds you and your family in good health. Welcome back to what will be a very busy church year. Plans and preparations are under way for our Annual Bazaar (November 5 - 7) and our Feast Day (December 5).

Work has begun on replacing the roof and waterproofing the church complex. The church was approved for an Equity Loan of \$100,000. The "loan" has given the church the ability to proceed with this project, while a fund raising committee organizes and presents a complete program to address the needs of the parish to the Executive Board and the parish. Once a program has been completed a Special Parish Meeting will be called to present the Capitol Improvement Funding Program to the Parish as promised at the August Special Parish Meeting.

While the Executive Board is composed of 21 members, it takes all 1000 parishioners to make the Church of St. John of Damascus a strong and united spiritual family. It is up to each parishioner to get involved. It is up to each and every parishioner to help make our church (and family) stronger. If you have any suggestions or ideas, please do not hesitate to bring them to the attention of the Executive Board. We want you to feel free to approach any Board Member, including Fr. John, with your comments.

May God Bless You,  
Bob Zahka

Robert P. Zahka, Chairman  
Executive Board

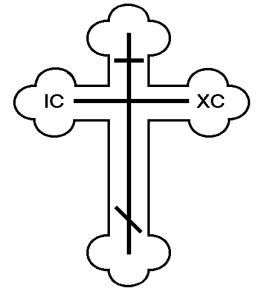

**IMPORTANT – PLEASE NOTE...** While every attempt is made to accommodate requests for **memorial services, removal of crowns, and churching of babies**, there may be times, due to other events and/or liturgical seasons, when this may not be possible. **To avoid any confusion, these events must be scheduled in advance with the understanding that conflicts may arise.**  
Thank you.

## ***Funny How...***

...a \$10.00 bill looks so big when you take it to church, but so small when you take it to the market.

...long are a couple of hours spent at church, but how short they are when watching a movie...

... people want to get a front seat at a football game or basketball game, but scramble to get a back seat at church services...

...we believe what newspapers say, but question what the Bible says...

***FUNNY, isn't it ?***

***Or is it?***

***Have you seen St. John's Web Site ... recently?***

<http://www.stjohnd.org>

Many new changes have been added over the summer. If you haven't seen the web site recently, be sure to check it out. Information is updated weekly, so you will always see new information. Here are some of the changes that have been added this summer:

**Scrolling Bulletin Board** – Now, all the latest information is presented on a scrolling bulletin board on the home page. To stop the scrolling and read the item of interest, just move your mouse pointer over the box. To continue scrolling, move your mouse pointer off the box. Any text in blue can be clicked on for more information.

**Parish E-Mail Mailing List** – We have started a parish e-mail mailing list. This list will be used as an easy way for the church office to communicate information immediately to many people. You can receive up to date info on changes to the church web site or important announcements from the church office. We are in the process now of building this list. To join the list, simply go to the box on the home page that says "Join our Parish e-mail mailing list", put in your e-mail address, then click on the join list button and follow the instructions. It's a great way to stay informed.

**Real-time Church Calendar** – All of you receive a church calendar with the newsletter each month. Problem is that many times, the information may be out of date by the time you receive it, as many new events and meetings are being scheduled each week. We have implemented an on-line, real time calendar on the web site. Now, through the church office, as meetings are scheduled or events are booked, you will see them immediately on the web site. You can look at the calendar daily, weekly or monthly and see the details of the events. Check this out by going to the church home page and selecting Calendar either from the News and Information link or by using the "quick links".

We would really like to get your feedback on these new items and would like your suggestions for other ideas you may like to see. Please drop an e-mail message to the church webmaster at [\*\*webmaster@stjohnd.org\*\*](mailto:webmaster@stjohnd.org) with your feedback.

**Volunteers** – We can use help in many areas this year. You may see many people working the bazaar, but believe it or not, we are always short of help ... before, during and after the bazaar. We need help at the tables, raffles, office work, picking up and cleaning tables, setting up the hall, breaking down the hall, etc. Please, if you haven't been involved in the past, get involved now. It's fun and rewarding. Contact John Haddad or Ray Hamwey if you can help.

### From the Church School...

By the time this Newsletter is published, we will have already been back in Church School here at St. John's. Thanks to the Maintenance Committee, as well as our devoted staff, our Church School sports a fresh coat of paint; shiny, waxed floors; and a clean, crisp appearance.

The plans for our second annual Overnight Retreat are in the works, for the weekend of November 19<sup>th</sup>. Last year's retreat was such a success that we've asked Nick Louh, Assistant Camp Director at Antiochian Village, to run the program again this year. Our students will participate in lively discussions about our faith, attend evening worship "Village" style...and of course, enjoy homemade pancakes on Saturday morning!

We hope to introduce some new events this year, such as the "Come as your Favorite Saint" party, Church Icon Tour, and a Youth Choir. The successful Scouting Program also returns. We'll keep you posted...

### ***From the Antiochian Village Campers...***

Well, another summer is over and our campers all had a great time at camp. Altogether we had twenty-six campers attending camp this year, as well as Gina DeStito working as a camp counselor for the whole summer. Kristen Sabbag attended the camp as a CIT. The number of campers attending camp next year will be over thirty.

Just to let people know, through the fund-raising efforts last year and the support of all of our parishioners, each camper received \$161 towards their camp expenses. In addition to that, \$900 was given out through the St. Ignatius fund to children based on a financial need. We heard some misinformation going around over the summer –that all campers received a full scholarship as well as the \$161. That was not the case. We just wanted to clear that up.

We have lots of activities planned this year. We hope that you will support our efforts again this year. Please look in the weekly bulletin for information regarding the camp and any activities that we have coming up. We are planning on doing service projects this year as well as fund-raising.

October 23<sup>rd</sup> is the Fifties Dance. This was a great event last year. Please try to attend. Tickets will be sold by all campers as well as during Coffee Hour.

If anyone has any questions or suggestions, please contact Paula Hamway or Debbie Leotsakos.

We appreciate all of your support!

### ***Sometimes You Can Put A Village Back Together With A Needle and Thread...***

In the city of Tbilisi in the Republic of Georgia, citizens who have been displaced by unrest are creating new lives for themselves with the help of International Orthodox Christian Charities. IOCC coordinates sewing workshops that enable participants to sew comforter-style wool blankets. The “Blanket Project” has provided not only a source of income for the community but winter protection for orphans, needy families and the homeless.

### ***Sometimes The Best Medicine Someone Can Have Is A Healthy Pig...***

In the midst of war and unrest, a family, or an entire community, can lose everything, including its will to survive. When refugees from Bosnia found themselves struggling to build a new life in the Federal Republic of Yugoslavia, International Orthodox Christian Charities gave them a loan so they could purchase pigs and farming equipment. This simple gesture gave their lives meaning and provided them with the ability to earn an income, feed their families, and realize that their lives were not useless but, in fact, quite meaningful.

These are a couple of the many ways IOCC is responding to people in need. And with your continued support we can help other communities patch their lives back together.
